Brownsville Independent School District Brownsville Learning Academy High School 2018-2019 Campus Improvement Plan

Mission Statement

Our Mission Statement

Our mission is to ensure that all students meet the requirements for graduation, prepared to succeed in institutions of higher education and\or in the career of their choice. As advocates for all students attending BLA, all stakeholders will foster relationships that support an atmosphere of mutual respect and responsibility.

Vision

Our Vision for BLA

The Brownsville Learning Academy is an alternative education high school that provides individualized instruction while providing counseling services that support all students in completing their secondary education. We partner with Career and Technical Education (CTE) in order to empower all students to successfully transition into post-secondary and career opportunities to become positive, contributing members of society. This will ensure that all students have access to job training while completing their high school diploma and attain high-level academic skills as well as equipping them to be lifelong learners

Core Beliefs

Philosophy at BLA

The Academy features a competency – based learning system in the school of choice. For those students who want to complete a technical/vocational program while completing their high school requirements, BLA is the right choice for you.

The BLA logo

This shield itself stands for honor, truth, and wisdom. Red represents passion for learning. White represents faith to accomplish goals. Blue signifies the trust in oneself to see things through.

Comprehensive Needs Assessment

Revised/Approved: June 15, 2018

Needs Assessment Overview

Brownsville Learning Academy High School (BLA HS) is located in The Brownsville Independent School District in Brownsville, Texas. The BLA HS campus is located at 1800 Cummings Place, Brownsville, Texas 78520, Phone: (956) 548-8630, Fax: (956) 548-8218, Principal: Teresa de Saro, E-mail: tdesaro@bisd.us, and opened: 2005. BLA HS is funded almost entirely by the State Compensatory Education Department of BISD.

The Student population varies at BLA HS due to the nature of the program whereby students that are below grade level can accelerate academically via the computer assisted curricula (Compass, PathBlazer, A+) and CTC modules. Upon completion of the high school requirements, our students go through the regular graduation ceremony. The student population at the Brownsville Learning Academy is at any given time around 300 students and serves students in grades 9 through 12. Our campus profile is approximately 99 % Hispanic and 1% other and 100 % are identified as Economically Disadvantaged and At-Risk. A significant number of the students at BLA are classified as Limited English Proficient and a majority of our students are bilingual in English/Spanish. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance, and some students at BLA are under the Homeless Youth Project.

It is imperative that we identify and immediately enrollment children classified as homeless children and unaccompanied youth via the McKinney-Vento Act.

Migrant students will receive all grade appropriate school supplies and non-instructional supplemental support from the District on an asneeded basis in order to provide them with the necessary tools to complete their classroom and homework assignments; thus extending them the same opportunities for meeting the academic challenges of all students.

The College Career and Technology Connections program at BLA HS is for drop-out recovery of students from 18-26 years of age. Our high school students participate in the college readiness activities such as visiting UTRGV and TSC just as other high school students do. Brownsville Learning Academy students are recipients of an eclectic, well-balanced, curriculum. Computer assisted curricula offer courses in every subject area necessary for regaining of credit, as well as needed state electives that count towards graduation. Our students are afforded the opportunity to take CTE classes such as welding at one of the comprehensive high schools. Students at our school also have

access to new graduation plans as per TEA. EOC's and TAKS are offered to the students as per their academic need. We administer the Texas Success Initiative (TSI) to pave the way for our graduates to enter high ed. For those who struggle, we offer the TSI Class in Math and in English which allow them to enter higher education without passing the exam.

The current staff of the Brownsville Learning Academy High School is comprised of 20 teachers, 1 principal, 1 assistant principal, 1 counselor, 1 testing coordinator and other support staff. The ethnicity of the Brownsville Learning Academy staff is 99.5 % Hispanic. The teaching staff is also 33% male and 67% female.

Demographics

Demographics Summary

Student population varies at BLA HS due to the nature of the program. Students who are between three years below grade level can accelerate academically via the computer assisted curricula, assorted software, CTC on-line modules, direct teach or with a combination of strategies can get caught up. High School students who enroll at BLA will become BLA HS graduates. The student population at the Brownsville Learning Academy is at any given time between 250 and 350 students and serves students in grades 9 through 12. Our campus profile is approximately 99% Hispanic and 1% other and 100% are identified as Economically Disadvantaged and identified as At-Risk. A significant number of the students at BLA HS are classified as Limited English Proficient and a majority are bilingual in English/Spanish.

Demographics Strengths

- 1. Highly qualified teachers in core areas
- 2. Computer availability in two labs, the library, and in the classrooms.
- 3. Stable faculty with minimal turnover
- 4. Small class sizes with integration of technology to better address the unique needs of the at-risk and overage students

Demographics Needs

- 1. Need to increase attendance for At-Risk students enrolled at BLA HS
- 2. Need additional district and community supports to address unique student needs (especially those who are already adults)
- 3. Need to provide additional incentives to improve attendance and reward performance

Problem Statements Identifying Demographics Needs

Problem Statement 1: Need to increase attendance for at-risk students enrolled at BLA HS **Root Cause**: Multiple family issues such as jobs, family care, transportation

Student Academic Achievement

Student Academic Achievement Summary

Student population varies at BLA HS due to the nature of the program whereby students that are three years below grade level accelerate academically via the computer assisted curricula (Compass Odyssey program, A+, Mind Play, etc.) and CTC modules.

Our campus goal is to increase student attendance and achievement, by challenging all students with high expectations and recognizing those students who come to school with small incentives. Our goal is to provide support services as needed to our students who are having difficulty meeting the attendance and academic goals. Because BLA HS is classified as an Alternative School through TEA, the test scores can be lower than the traditional high schools; however, BLA HS did not meet the Alternative School Standard. Because our scores were so low, we are required to include a section in our Campus Improvement Plan (CIP) called Texas Accountability Intervention System (TAIS). TAIS focuses on the most critical areas required to improve for the overall student performance on the state exams. Current research shows that student achievement is directly linked to student attendance.

Student EOC Data from BISD Preliminary Reports for BLA HS

Assessment	ll A tudents r	At- Eco isk Dis	on. S.	ELL SPED
English I	10%	11%	11%	2%*
English II	11%	11%	11%	0%*

Biology	30%	28%	30%	20%*

^{*}masked numbers

Student Academic Achievement Strengths

- 1. Credit Acceleration through Extended Year
- 2. Flexible pathways to Credit Recovery
- 3. Credit Acceleration through Cohort at the beginning of the school year

- 4. Summer School credit recovery
- 5. Part-time Dyslexia Teacher
- 6. Targeted instruction that addresses the diverse needs of the student population
- 7. Full time librarian to support literacy development
- 8. Supplemental instructional paraprofessional to support literacy activities across the curricular areas

Student Achievement Needs

- 1. Need to increase passing rates on the state assessment at all levels and in all subjects
- 2. Need PEG Writing and other software to support literacy
- 3. Need to provide additional learning time for successful IGC completion
- 4. Need hardware and instructional software including A+, Think Thru Math, PEG, and other software to support the modular technology-based instructional model being implemented
- 5. Need additional professional development on effective instructional interventions (including RtI interventions) to better support struggling learners
- 6. Need additional high school level library resources

School Processes & Programs

School Processes & Programs Summary

Department chairs and primary appraisers work together to analyze their departments and address the needs of each. The committee is aware that any hire has to be highly qualified, dedicated and committed to working with "At-Risk" students. The percentage of teachers who remain at BLA HS is high and continues to improve. When positions become available, the campus consults with HR to find highly qualified candidates to fill vacant positions. In recognition of our large number of ELL students, bilingually certified faculty are available. Teachers are expected to get trained in sheltered instruction so they can work more effectively with our students. We have also opened up a library for which allows our students more access to print and serves as a focus for cross-content literacy activities.

Data is disaggregated by departments and analyzed to determine the needs of the campus. BLA implements District initiatives, by providing a correlation of the state TEKS to the CTC modules, A+, and Compass Learning. Teachers meet periodically to align CTC and A+ modules as well as Compass to the TEKS. Our highly qualified teachers supplement these modules with relevant resource material to increase rigor and relevance and to ensure student success on state assessments. TLI cognitive strategies are used in classrooms: think/turn/talk; making connections, creating mental images, making inferences and predictions; asking and answering questions and determine importance and summarizing.

The Principal works closely along with Dean and Assistant Principal to cover key content areas. Department Chairs, too, strengthen the communication between administration and core areas. All are involved in the decision-making process along with Counselor and the Testing Coordinator.

BLA HS holds faculty meetings twice a month (there is also a student representative and community representative) and administrative meetings (including campus administrators, counselors, Testing Coordinator) at least weekly. This promotes improved communication and airs campus concerns on a timely basis.

The faculty and staff work together to determine the needs of the campus by communicating with fellow staff members and reviewing data sources.

Due to limited funds, the staff routinely look for usable technology from other locations and visit the warehouse to look for projectors, computers, etc. which can be used in our classrooms.

School Processes & Programs Strengths

- 1. Experienced ELA teachers whose specialty is reading/writing to support students who read far below grade level
- 2. Highly qualified teachers in all subject areas
- 3. Teacher retention is high
- 4. Collegiality is evident in the interactions of faculty and staff
- 5. Teachers are satisfied working at BLA HS

Needs

- 1. Need for teachers to attend trainings provided by the district and campus to specifically target acquisition of effective teaching research based strategies to ensure more effective/efficient monitoring of literacy development in all content areas and in technology integration in the classroom to increase academic success.
- 2. Need additional training on effective instructional delivery and rigor of content in areas of EOC, credit recovery and acceleration
- 3. Need support from the curriculum department specialists and lead teachers to visit the classrooms to provide suggestions and support
- 4. Need additional resources to address the large percentage of ELL students who need additional help with reading and comprehension
- 5. Need data review support specific to the BLA HS instructional model including how to use Eduphoria and Tango to drill down on individual student needs
- 6. Close collaboration and communication among faculty and staff through formal and informal processes
- 7. Need a full-time campus TST to better support the campus that relies heavily on computer-based modular instruction
- 8. Need more access to CTE and job-related opportunities for students to better prepare them to move into the workforce or higher education
- 9. Need to purchase replacement computers and printers to fully implement a computer assisted instructional program
- 10. Need to continue to purchase updates for all instructional modules

Perceptions

Perceptions Summary

The campus conducts surveys, which include students, teachers, parents and community members to determine the needs of the campus. Since as of Fall 2016, BLA HS is a stand-alone high school campus, seniors graduate from this campus.

Every effort is made to ensure a safe and orderly environment that is conducive to student learning. A vital concern is improvement of school culture specifically to foster academic success by providing strong support services to students that are at risk of not completing high school in four years. We have extended year and, at the beginning of the school year, we introduce a cohort program for those students who need to finish up a few credits for promotion.

The Parental Involvement program participation increased by providing multiple opportunities to parents to attend meetings that will cover a multitude of topics: graduation requirements, PRS, state assessment requirements, college and career opportunities, gang and gang violence, etc. We will use School Messenger to contact our families and remind them of the meetings. Increase attendance for At-Risk students enrolled at BLA HS by constant monitoring and judicious use of the Parent Liaison, Home Visitor, Security, and School Messenger.

A parent volunteer helps to engage our parents in our school community. We have updated our web page and are setting up individual web pages for our teachers to provide more current information on BLA HS, our students, and our successes. Also, we now have training on the use of School Messenger so we can send out messages to our students, parents and staff.

We have posted charts in each classroom for our students. This allows all parents and students to view student progress through the modules and encourages students to work diligently toward completion.

Perceptions Strengths

- 1. Celebration of Red Ribbon Week
- 2. Various Career Day presentations through out the school year from the local and state community
- 3. Partnership with Texas Southmost College: weekly assistance with college, trade and technical school, and financial aid applications
- 4. Opening opportunity for our students to attend CTE classes and participate with students from around the district
- 5. Mutual respect amongst all stakeholders is readily seen in the interactions between students, teachers, staff and visitors

- 6. Strong support services
- 7. Cleanliness of campus
- 8. Students and teachers feel welcome and safe at school based on CNA survey responses
- 9. Our Home Visitors and Parental Involvement Liaison are our strengths. We have a Communities in Schools social worker this year, and this helps to promote a stronger relationship between our families and our school.
- 10. Communities in Schools staff to support student's unique needs

Needs

- 1. Need for additional supports for students who are independent adults
- 2. Need for small incentives awarded to those students who are doing well in their classes and those who come to school regularly
- 3. Need to increase parental involvement by providing opportunities to attend monthly meetings at various times
- 4. Need meetings to encompass a variety of topics: Title I services, parental guidelines and regulations, gang and gang violence, dropout prevention and graduation requirements and opportunities for students to obtain post-high school education

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Postsecondary college, career or military-ready graduates data
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Student failure and/or retention rates
- Observation Survey results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each group
- Special Programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data,
- Male / Female performance, progress, and participation data
- Special education population, including performance, discipline, progress, and participation data
- Migrant population, including performance, progress, discipline, attendance, and mobility
- At-Risk population, including performance, progress, discipline, attendance, and mobility
- EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- Career and Technical Education (CTE) data, including academic achievement, progress, program growth, race, ethnicity, gender, etc.

- Section 504 data
- Homeless data
- Gifted and talented data
- Response to Intervention (RtI) student achievement data
- Dyslexia Data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- T-TESS

Parent/Community Data

- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Action research results
- Other additional data

Goals

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: BISD student performance for all students, all grades, all subjects will exceed 2018 STAAR percent Approaches Grade Level and STAAR Masters Grade Level performance in reading, writing, mathematics, science and social studies by 5 percentage points.

Evaluation Data Source(s) 1: STAAR/EOC performance reports

Comprehensive Support Strategies

Goal	Objective	Strategy	Description
1	1	1	Administration, Counselor, and Department Chairs will closely monitor the implementation of remediation strategies in corearea subjects for low-performing at- risk students and reluctant learners in order to decrease the retention rate and improve student achievement. CNA: SA #1 PROGS #3, #6 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
1	1	2	Administration will manage the instructional programs, provide instructional leadership to ensure student success, and oversee the implementation of district and campus policy and procedures. CNA: SA #1, PROG #3, #5 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
1	1	3	Instructional resources, including A+, CTC modules, Think Through Math, Compass Odyssey, Living with Science, Sirius, Mind Play, and others will be provided to students in the foundation curriculum to improve academic achievement and attendance. In addition, PEG Writing and adaptive curriculum will be made available for students to improve academic performance. CNA: SA #1, #2, #4 PROGS #1, #9, #10 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
1	1	4	Provide campus professional development opportunities for all teachers on research based strategies to ensure monitoring and appropriate learning opportunities in literacy and the foundation curriculum. CNA: SA #5 PROGS #1, # 3, #4 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
1	1	5	Time will be allotted for teachers to align curriculum with TEKS (using instructional technology) across the grade levels, do classroom observations on campus, and off, to enhance and enrich their instructional delivery and increase quality academic writing. This would also promote and provide necessary technology to students. Time will be allotted to participate in district PLC meetings. CNA: SA #1, #2, PROGS #1, #2, #4 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
1	2	1	Microsoft Office software will be provided to assist in the instructional lab. Students use A+, Think Thru Math, PEG, and other software. There are computers and two computer labs available to all students. CNA: SA #2, #4 PROGS #9, #10 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
1	2	3	Alternative or non-traditional schooling and delivery model options (e.g., blended learning, virtual learning, competency based credit opportunities with direct instruction) provide alternative avenues to credit earning and graduation, with programs paying special attention to the students individual and social needs, career goals, and academic requirements for obtaining a high school diploma and transitioning successfully to life beyond graduation. CNA: SA #1 PROGS #2, #8 DEMO #2 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019
9	4	3	Accelerated instruction in the foundation curriculum will be provided, in order to improve at-risk student achievement, graduation rate, completion rate, and decrease the retention rate and dropout rate. CNA: PER #3 SA #1 DEMO #1, #3 POPULATION: ALL BLA HS AT-RISK STUDENTS TIMELINE: AUGUST 2018-JUNE 2019

State Compensatory
